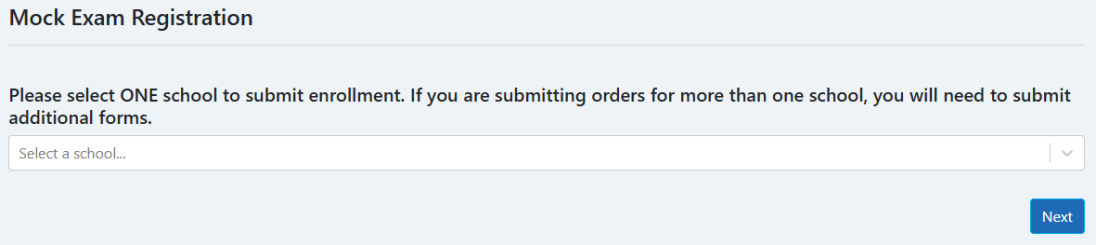
AP Mock Exam Registration

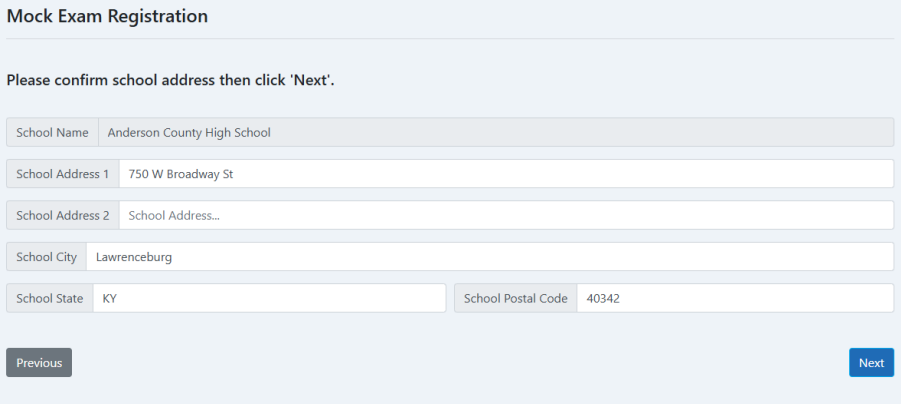
Registration Instructions

To start your registration, please click on the following link:
https://ngauge.appliedpractice.com/register/enter?key=advky25

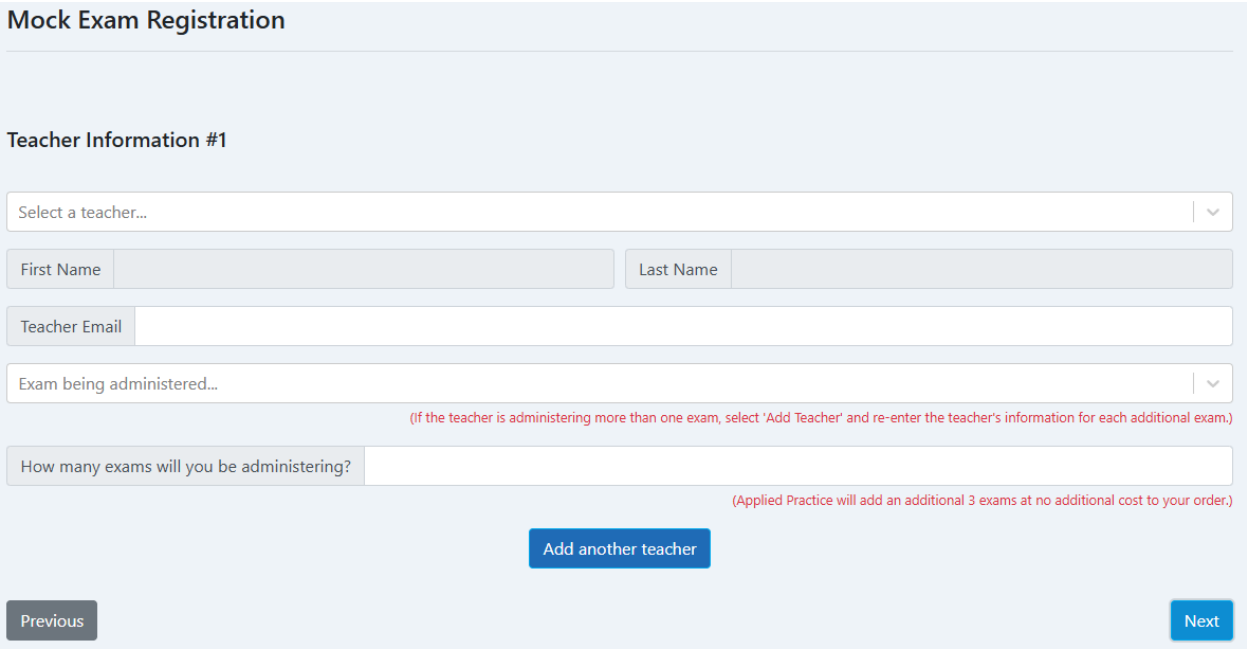
1. Read over the details provided and click the correct subject link to start the registration process. You will see the following page. Select your school from the drop-down menu and select "**Next**".



2. Confirm that the information on your school is correct. If you need to update the school address, you may do so directly in the white form fields. Once confirmed select "**Next**".



3. Complete the Teacher Information #1 section.



- If you have previously administered a Mock Exam through *Applied Practice* (at your current school), your name will be listed in the dropdown box. Select your name and confirm your email address.
    - If the email address is not correct, ***please enter the correct email address***.
- If you have not previously administered a Mock Exam through *Applied Practice*, your name will not appear in the dropdown. **To add your name**:
    - Select **<add teacher not listed>** from the dropdown box.
    - Enter your first name, last name, and email address.
- Select the course you are registering for (Exam Being Administered).
- Enter the number of exams being administered.
    - This should be the ***total number of students*** that you plan to take the AP Mock Exam for this specific course.
- If you are registering for only one AP course, select "**Next**".
- If you teach more than one course (i.e. you teach both AP Language and AP Literature; or teach both AP Physics 1 and AP Physics C: Mechanics) click "**Add another teacher**" and repeat the process for your additional course(s).

4. Once you have added all the AP courses that you are registering for Mock Exams, select "**Next**".
5. You will see a confirmation page where you can review the information on the screen; if you need to make any changes, select "Previous" to go back and make corrections.
6. Once you have confirmed that everything is correct select "Submit" to submit your AP Mock Exam registration.
7. You will receive a confirmation email (sent to the email address provided during registration) with your order information.

Next Steps

As you get closer to the Mock Exam administration date Applied Practice will provide each teacher with detailed instructions on how to administer the Mock Exam as well as the process to submit/upload/return student responses for Hybrid Digital Exams.

Questions?

Please reach out to the team at AdvanceKentucky for specific questions about mock exam forms, administration windows, scoring event, etc…
